

Co-Parenting *with Peace*

Meeting our children's needs during and after divorce and separation.

with REBECCA WEIKER

WEDNESDAY

January 23, 2013 (7-9pm)

When our marriage or relationship ends and when we have been raising children together, we remain in a relationship with the other parent through our co-parenting. Figuring out how to be in that new relationship can be challenging!

Please join Rebecca Weiker, a certified family mediator and parent educator for this two hour workshop to learn tools for communication and conflict resolution and an empathy-based paradigm for co-parenting.

In this class we will discuss a framework for co-parenting that honors the experiences, feelings and needs of parents and children.

This class will be held in Redondo Beach.

Directions and more information provided upon registration.
