

RAISING BOYS

EMOTIONAL INTELLIGENCE AND GENDER ROLES IN PARENTING
January 30 (7-9pm)
with BRIAN JOSEPH!

Brian Joseph is a founding parent of the Peace School Cooperative Preschool in Los Angeles and former Director of Teaching at Echo Parenting & Education.

The adage “boys will be boys” allows us to neglect our responsibility to teach boys how to solve problems peacefully. Helping boys develop their emotional intelligence can diminish the association of violence with masculinity, and increase their capacity to love. This session offers concrete tools to help adults support boys.

Location: Redondo Beach.

Fee: \$50 per person
\$75 per couple.
