

Trauma & Resilience Part II Training

May 26, 2020 | 9:00 am - 4:30 pm

Following on from the successful Trauma & Resilience Part I Training, Echo brings you a second, more advanced training to continue the exploration of trauma.

This is a chance for you to deepen your knowledge about trauma, resilience and post-traumatic growth. We will examine the impact of toxic stress on child development and dive deeper into the science behind how

the brain and body responds to trauma. You will also have an opportunity to learn how to create the conditions that foster resilience and post-traumatic growth.

This training will cover:

- Different types of trauma
- The effect of trauma on relationships, the body and the brain
- Survival responses
- Adverse Childhood Experiences Study
- Emotional regulation strategies
- Tools for empathetic connection
- Trauma-informed care
